MIT Pune
Legacy

Carrying Forward the Spirit of Excellence

Avantika University at Ujjain is part of the MIT Group of Institutions, Pune.

It has contributed towards the industrial, economic, and social growth of the society, and has helped realize the dreams and aspirations of lakhs of students. It makes an obvious destination for aspiring young minds who are in pursuit of best scholastic experience.

With a rich legacy of fostering world class academic excellence, MIT Group of Institutions is the premier educational group in India, where students are nurtured to become the torchbearers of the future.

Established under "Maharashtra Academy of Engineering and Educational Research, Pune" (MAEER), it has revolutionized technical education in Maharashtra since the 1980s.

Envisioned by **Prof. Dr. Vishwanath D. Karad,** Founder, and Chief Patron, of MAEER's MIT Group of Institutions who coveted that quality education should reach every scholar irrespective of class, creed, or religion. His objective has always been to motivate students to curate their own stories, carve their own trajectories, and build their own paths.

Industrial Design

Transportation Design

Acclaimed as one of the finest educational and research institution, MIT ID School of Design (SOD) extends a guiding hand to bring your creative expressions to life. An atmosphere that inspires students to explore solutions for the 21st century.

SOD offers specializations that equip students with the skills to excel in designing prototypes, interfaces, and AI-powered designs while dipping their toes into the current market trends. Emphasizing sustainable practices, industrial processes, and ethical considerations, the project-based learning approach prepares industry-ready professionals who critically analyze the dichotomy of past design legacies and their utility in the future.

B.Sc(H) Agriculture | MBA Agribusiness

B.Sc(H) Agriculture

MBA Agribusiness

A country where agriculture forms a significant part of the economy, the School of Agriculture addresses the sector's evolving needs through a curriculum enriched with technological advancements. The course prioritizes skill development through experiential learning, and rural agriculture work experience.

At Avantika University, the B.Sc Agriculture and MBA (Agribusiness) prepares students to address the critical challenges of farming and agriculture. Over the span of the course, students will gain deeper expertise in sustainable development, natural resource management, agronomy, genetics, agricultural microbiology, environmental sciences, plant biotechnology, plant pathology, and soil science.

Salient Features

- Experiential Learning Program.
- State-of-the-Art infrastructure & Laboratory facilities.
- Extensive lab-field-based training hours.
- Scopes for independent research under the guidance of research scientists.
- Highly experienced faculty and research scientists.
- ICT-services enabled library.
- Pre-placement training right from day one.
- Tutorial support for competitive exams.
- Varsity-laboratory tie-ups for advanced.
- Design Thinking and Innovation Focus.
- Entrepreneurship and Industry Integration.
- Learning Management Platform (CANVAS).
- Study abroad & Student Exchange Programme.

Entry Requirements for B.Sc(H) – Agriculture

- 10+2 or an equivalent exam from any stream with 50% marks in aggregate (from any recognized board).

Entry Requirements for MBA Agribusiness

- Any UG degree with 50% marks in aggregate (from any recognized university).

Academic Programs
School of Psychology

B.Sc(H) Clinical Psychology

The School of Psychology at Avantika University offers a B.Sc(H) in Clinical Psychology with a multidisciplinary curriculum that explores the psyche-body-behavior connection. Emphasizing essential clinical and research training through a balanced blend of theoretical and practical coursework, the program encourages critical and creative thinking through directed research conducted in laboratories and field settings. Furthermore, collaborations with hospitals provide valuable hands-on experience in cognitive-behavioral therapy and psychopharmacology. Graduates of this program can pursue diverse career opportunities, including counseling or psychotherapy in hospitals, clinics, schools, NGOs, and corporate environments.

Salient Features

- Opportunity to work on live projects to provide students with hands-on experience.
- In-depth training on human behavior, cognition, and emotion.
- Practical sessions on counseling techniques, psychotherapy, and real clinical settings.
- A diverse range of mental health promotional activities aimed at promoting early identification of mental health issues.
- Rigorous research practice focused on psychological disorders, psychotherapy, emotional disturbances and other fields.
- 6 months of full-time internship.
- Faculty with extensive industry, academic, and research experience.
- Immersion at international, national, and rural level programs.

Entry Requirements for B.Sc(H) (Clinical Psychology)

- 10+2 or an equivalent exam from any stream with 50% marks in aggregate (from any recognized board).

Graduate In Life!

Mythili Gadia
B.Des

My experience at Avantika University has been enriching, it offers a perfect blend of creative freedom and structured learning.
The hands-on approach and collaborative environment have helped me grow both personally and professionally in the field of design.

Devesh Kumavat
B.Tech

Avantika University stands out with its dynamic curriculum, promoting practical learning and real-world problem-solving. The School of Engineering provides a comprehensive learning environment that guides and inspires budding future leaders.

Kunal Waswani
MBA

It's been a great experience so far. A unique project-based learning has sharpened my analytical skills. The emphasis on research and case studies has been invaluable for placements, securing real-world opportunities and preparing us for professional success.

Aarzoo Vishwakarma
BA LL.B(H)

Avantika University stands out as a beacon of excellence, providing a nurturing environment where students embark on a journey of self-discovery and growth.
With a curriculum designed to foster exploration, students are encouraged to delve deep within themselves.

Bhoomika Pamnani
BBA(H)

Avantika University has played a pivotal role in shaping my character and enhancing my skills. In my journey here, I've developed strong leadership, time management, and teamwork abilities.

Sonal Yadav
M.Des

Avantika University has transformed how I see design and learning. The campus buzzes with curiosity and innovation, while the experiential learning model inspires me to push boundaries. With supportive faculty and a creative atmosphere.
