Vision

- Avantika aims to nurture and cultivate young minds who will serve as enlightened citizens, bringing positive change to society.

Mission

- To provide contemporary and personalized education with a 21st-century curriculum and learning focused on what really matters in life.
- To nurture a robust ecosystem led by innovation and enterprise to generate exciting research and creative outcomes.
- To ensure a high-quality student experience through a breadth of activities and opportunities with an emphasis on experiential learning.

Academic Program

B.Des | M.Des | Ph.D

Industrial Design

Industrial Design aims to equip students with the competency and skills to turn the innovative ideas into delightful products/ services/systems.

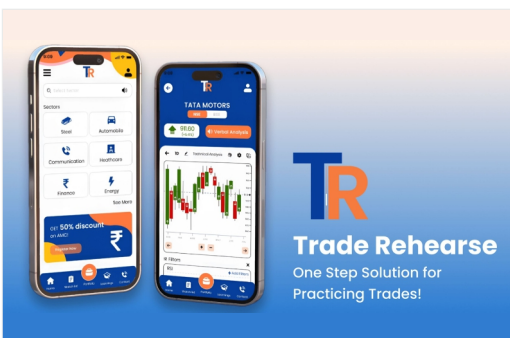

Transportation Design

Transportation Design aims to design transportation systems by making a completely pleasing experience of future mobility.

Interior & Furniture Design

Interior and Furniture Design aims to create spaces and furnitures to fulfill the changing needs of the society considering new age private and commercials spaces.

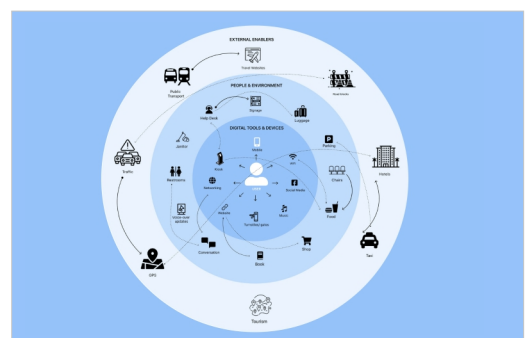

User Experience Design

UX Design is the process of creating digital products, services, or systems that provide a seamless experience for users that meets their needs and helps them achieve their goals.

Information Design

Information Design encompasses various aspects of design, communication, and cognition to create effective visual representations of Data, Concepts and Messages.

Immersive Media Design

Immersive media design is the creation of digital content and experiences that fully engage and immerse users in a simulated or virtual environment.

Interaction Design

Interaction Design is the process of designing interactions between humans and products by triggering human senses while they interact with the product.

Graphic Design

Graphic Design aims in solving communication issues for desired clients with in-depth knowledge of design research and executing it through skills like Illustrations, Typography, Photography, Multimedia and digital know-how.

Animation Design

Animation Design makes unbelievable ideas believable through 2D and 3D animation with skills like Story-telling, Kinematics, Character design and Sound design.

Game Design

Game Design helps develop innovative concepts, compelling storylines, characters and environments via implementing gameplay mechanics. It uses advanced tools to build prototypes / user interfaces, and ensure seamless interaction.

Fashion Design (Only for B.Des)

Fashion Design is a program centered on immersing the foundational and technical skills nurturing student's creativity to create beautiful, sustainable, responsibly produced fashion.

Student Achievements

1st Runner Up
Pune Design Festival

Winner
International 'A Design Award'

1st Place (North Zone)
Competition by Society Interiors & Design

Hearty Congratulation
1st Prize
Lexus Design Awards India

Design Recognition
Yanko Design

Students Endeavor
Craft Village Pranpur (Chanderi)

Eminent Design Educators

Prof. Sanjay Jain
IIT (IDC) Bombay

Prof. Nitin Kulkarni
JJ School of Art, Mumbai

Prof. Bhargav Mistry
NID, Ahmedabad

Raghav Pandya
Transportation Design

Ayon Sarkar
Visual Communication

Mukesh Malviya
Industrial Design

Yogesh Jahagirdar
Communication Design

Sanjay Sonwani
User Experience Design

Dheeraj Chugh
Foundation Course Head

Admission Process

Entry Requirements for BDes

- 10+2 from any stream (State Board/CBSE/ICSE/ISC/CIE/IB/NIOS or equivalent exam)
- 50% aggregate marks in 12th examination
- Valid Score of Design Scholarship Test (DST), MIT Design Aptitude Test (DAT), UCEED, NID-DAT, NIFT.

Entry Requirements for MDes

- Graduate from any stream (10+2+3)
- 50% aggregate marks in UG Degree
- Valid Score of Design Scholarship Test (DST), MIT Design Aptitude Test (DAT), CEED, NID-DAT, NIFT.

Avantika University

From captivating talks to lively discussions, the TEDxAvantika witnessed an inspiring concoction of Industry Leaders spearheading diverse arenas, fostering a vibrant atmosphere of exploration and discovery. Attendees left motivated, ready to continue their journey of leading and learning in pursuit of building a brighter tomorrow.

Industry Connect

iConnect initiative is to bring Industry leaders to Avantika University to inspire students by providing real-world insights and practical knowledge that bridge the gap between academia and the professional world. Experts bring stories of their career challenges, success and also failures. These experts offer valuable guidance to help students prepare for the job market.
